MAGIC MOMENTS

Holiday Greeting Card Personalization Program

Please call (205) 939-9372 or email bebe.goodrich@childrensAL.org to purchase artwork.

For those who want the flexibility of a personalized card while still supporting Magic Moments, we offer several designs, **all drawn by Magic Moments wish recipients, which you can purchase for a tax-deductible donation of $500 each.**

Once you purchase a design, it is unavailable to anyone else, which makes your card unique.
